

BE MY GIRL

music: Miks Dukurs / Edijs Dukurs / Kārlis Indrišonoks

lyrics: Miks Dukurs / Una Volkova

don't worry don't worry
we'll make a good story
and it will be so because of you
yea babe

for a long long time i tried
to understand what I need
then you came and made me realize
i can be better so much better than i was before

you're like a princess and i'm your teddy bear
so cuddle me closer now
but would you please

would you please be my girl
and we can't expect that this will be easy
we will have to make an effort together

dont worry don't worry
we'll make a good story
life will bring new battles
but we can win together
believe me

cause you're my sweet everything
you're my girl
you are my future

you might be the fire
and I the biggest rain forest
for now Im not afraid

i feel like we make a match so perfectly
cause these two hearts are beating like one
