

“On Your Own” / M. Dukurs

**on your own
you're on your own
there ain't nothing left**

**on your own
no one's gonna come**

**life is a battlefield
and you're on your own, on your own..**

*i don't know about you
but i'mma build myself back in my own way*

.
cause now i'm on my own
i can play by my own rules
and what a game it will be

when you have nothing to lose
and you're not willing to win

no tears for yesterday
no hopes for tomorrow
we're living the dream today

..
what you can offer to man
who has nothing to lose

but still has an agenda
to serve the community
