

“Another Day” / M. Dukurs

**i'm not gonna drink myself to death
drink myself to death
i'm gonna spend another day
another day with you**

**i'm not gonna drink myself to death
drink myself to death
i'm gonna spend another day
another day with you**

**with you
another day with you**

.
how sweet it is to be alive
how sweet it is to be with you
breathing in and breathing out
up and down we go each day

..
and if you want something bad enough
you'll get it one day
manifestation
law of attraction
i'm attracted
i'm attracted to you

**with you
another day with you**

...
as i'm breathing you in
and i'm breathing you out
i still feel you though you're gone
just outta my reach
